1	Eternity 8S	1	2	Kollegal	Good
2	Eternity 8S	1	2	T.K. Halli	Good
3	Eternity 16S	2	2	Shimoga	Good
4	Eternity 4S	1	1	Raichur	Good
5	Eternity 4S	1	1	Lingasugur	Good
6	Eternity 8S	1	2	Mysore	Good
7	Eternity 4S	1	1	Hubli	Good
8	Eternity 4S	1	1	Kadra	Good
9	Eternity 4S	1	1	Kaiga	Good

There are about 12 more PLCC EPAXs, which are likely to be commissioned very shortly.

General comments

1. The PLCC EPAX is found to be very stable and all the features are functioning satisfactorily.
2. The Matrix Eternity exchanges are functioning in extreme ambient conditions of temperature and humidity.
3. There has been no rejects of the exchange as a whole or the individual modules in particular, and all the systems have been commissioned right away.
4. The software supporting the PLCC functions is found to be very stable and there has been no incident of failure.
