TO WHOMSOEVER IT MAY CONCERN

This is to inform that, Matrix Make PLCC EPAX Model: Eternity 4S/8S/10S/16S are supplied to KPTCL by M/S Matrix Telecom Pvt. Ltd. # 38-39, GIDC, Waghodia, Vadodara-391760.

58 Nos. of EPAXs have been installed and commissioned at various locations in KPTCL.

The systems are working, functioning and performing satisfactorily since more than 3 years.

GENERAL COMMENT:

1. The Matrix PLCC EPAX is found to be very stable and all the features are functioning satisfactorily.
2. The Matrix Eternity Exchanges are functioning in extreme ambient conditions of temperature and humidity.
3. There has been no rejects of the exchanges as a whole of the individual modules in particular, and all the systems have been commissioned right away.
4. The software supporting the PLCC functions is found to be very user friendly and very stable. There has been not incident of failure observed.

Executive Engineer, El.,
TCD (S), KPTCL, Bangalore.
