CASE STUDY

Matrix Provided Centralized Time-Attendance Solution in Rishikul Vidyapeeth Schools

Institute Profile

Rishikul Vidyapeeth takes special pride in providing excellent education to students up to XII standard. Spreaded over an area of 42 acres; it is having other 2 schools under the Rishikul Vidyapeeth group; named Rishikul Vidyapeeth - Jagos Bhaghpat, UP and Rishikul Vidyapeeth, Alipur. All school campuses are having modern infrasturcures with aesthetically maneuvered activity areas, sprawling play grounds, acoustic auditoria, fully automated campus. It provides great opportunity to students to grow with their efficient faculties and other staff members.

Business Challenge

Rishikul Vidyapeeth is operated in three different places; Rishikul Vidyapeeth Sonepat, Rishikul Vidyapeeth - Jagos Bhaghpat, UP and Rishikul Vidyapeeth, Alipur. Managing attendance of staff from a central place was a major challenge for the organization. Earlier system was not effective enough to provide desired solution to the customer.

The institute was looking for a comprehensive time-attendance solution for tracking the movement of their staff situated at different locations from a central place. Moreover, they need instant SMS notifications for certain events like missing in/out punch, attendance summary etc.

Matrix Offered Solution

Having all discussion with Rishikul's team, matrix has offered comprehensive time-attendance solution for managing attendance and track staff movement from a single place.

Matrix has installed total 10 fingerprint based time-attendance terminals at three different locations. All these devices are connected via LAN with COSEC CENTRA server installed at Rishikul Vidyapeeth, Sonepat. HR can track attendance of all people from a central place. Moreover, he can generate different types of customized reports in different file formats without much effort.

For their instant notification requirement, matrix has integrated COSEC CENTRA sever with SMS web server. Now users are updated instantly on different events like missing in/out punch, attendance summary when it occurs.
